

NATIONAL AIR FORCE MUSEUM OF CANADA
FOUNDATION

Annual Golf Classic
June 18, 2026
Timber Ridge Golf Course

Sponsorship Opportunities

This year, the National Air Force Museum of Canada (NAFMC) Foundation Golf Tournament will be held on **Thursday, June 18 at the spectacular Timber Ridge golf course (<https://timberridgegolf.net>)** in Brighton, Ontario. The sponsorship opportunities and benefits attached are available to your organization. Sponsoring this golf tournament can be a fantastic way to promote your brand and support a good cause. We thank you for your consideration.

The NAFMC Foundation is a not-for-profit organization established in 2001. Our tournament is one of many events we host to support the Museum, which relies on charitable donations and volunteers for 80% of its operational and special project expenses.

Located on Canada's largest military base, the Museum strives to engage and educate visitors of all ages, recognizing and celebrating Canada's storied Air Force history over the past century. The Museum is home to over 35 aircraft, including a fully restored, Second World War Halifax bomber, as well as a host of interesting artifacts, exhibits and memorabilia.

Contact Information

To sponsor our event, to donate prizes or for additional information, please contact: Stacey Maltby at 613-242-0001 or by email at info@nafmcfoundation.com
